CLINTON, MASS.

I know not where I'm going,
Yet, I know I must begin,
My life belongs to me to mold,
Success, the prize to win.

And when the spring of life has past,
I'll sit in the lamp-light dim,
Leaf through these pages, and recall
The memories within.

In Memoriam

Harold Thomas Sargent

On July 28, 1963, our hearts were saddened by the tragic and untimely death of our beloved friend and classmate, Harold Sargent. Everyone remembers "Sarge," as he was affectionately called. His warmth and friendliness left a lasting impression on our hearts and his mischievous laugh still echoes in our ears.

"There is time to be born and a time to die."

God, in His wisdom, must have felt that Sarge's time had come.

In Memoriam

JOHN F. KENNEDY

On a sunny November afternoon the nation and the world lost a great leader and a true friend. We felt especially close to John F. Kennedy not only because his presidential years coincided with our high school years but also because his manner and enthusiasm, courage and curiosity, optimism, humor and faith in the future were characteristic of youth.

Yet in a split-second all this was obliterated and in its place God granted him the peace for which he had labored so long.

John Fitzgerald Kennedy's work on earth is over. Ours is just beginning.

There is an appointed time
for everything:

A time to be born, and a time to die:
A time to plant, and a time to pluck
up that which has been planted:
A time to kill, and a time to heal;
A time to breakdown, and a time
to build up:
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones:
and a time to gather stones together;
A time to embrace, and a time to
refrain from embracing:
A time to get, and a time to lose;
A time to keep, and a time to take away;
A time to rend, and a time to sew;
A time to keep silent, and a time to speak:
A time to love, and a time to hate;
A time of war and a time of peace.

CLASS MOTTO

After the battle, the reward

Kathleen Mary Alexander

"Indeed she was a merry lass,
We were glad to have her in our class."

"Kathy," with her twinkling blue eyes, captivating smile, and dynamic personality, is one of '64's friendliest Senior girls. Her pleasant manner has earned her many friends, and her willingness to aid in making all class activities successful has endeared her to everyone. She has always been on the honor roll and is a member of the National Honor Society. "Kathy's" plans are indefinite right now, but we, the Class of '64, know that with her determination and ability she will succeed in all her endeavors.

"A walkin' miracle" is another name for Lois. Charm and personality are her main characteristics and she possesses that extra special something which attracts her to everyone. All her classmates will agree that Lois is never too busy to help someone. She has attained excellent grades and is a member of the National Honor Society. She may be seen offering her services as a nurse's aide at the Clinton Hospital. A "lady in white" is Lois's future dream and the Class of '64 wishes her luck.

Alan Curtis Baer

"The principle business of life is to enjoy it."

Next we come to Alan, one of the quieter boys in our class. Although he seems carefree and unassuming, you will occasionally find his name on the honor roll. He gets enjoyment out of his part-time job at the Item office. Coming from the Germantown section, Alan is interested in technical drawing and would like to attend Worcester Industrial Technical Institute after graduation. We're all sure that he will succeed in his hopes. Good Luck, Alan, from the Class of '64.

He is very active on the football squad and has proven his skill as an outstanding lineman. "Govie" is a staunch supporter of the Senior class and can be seen at most social affairs. From his activities and friendly personality he has won popularity and admiration from all his classmates. "Tom" is very carefree and has a friendly "Hi" for all of his many friends. '64 Class History

Our high school career began in September of 1960. As members of the freshman class, we entered the "hallowed halls of learning" and began the four most valuable and unforgettable years of our entire lives.

Since the fire had destroyed part of our school building, we attended classes "campus style." From the Annex, to the Dietzman, to Corning, to Major McRell, to the Armory, the brigade marched daily, rain or shine!

When schedules were re-arranged and the newness began to wear off, we chose our officers (President — Donald Prior; Vice-President — Deborah Luszcz; Treasurer — Marvin Gould; Secretary — Mary Rose Dickhaut) and settled down to our first year of homework and social events on the high school level. We readily became acquainted with detention sessions, mid-year and final exams, "no smoking" rules, and preambles. Recess would find Guidi's Bakery mobbed with crowds of hungry teenagers clamoring for attention.

Miss Dorothy Long, a former member of the C. H. S. faculty, was appointed as our class advisor. As a result of her undivided attention and capable guidance, the class managed to survive its first hectic year and to distinguish itself by winning the Interclass Dramatic competition with our presentation of "One Happy Family."

Autumn became winter and the arrival of summer terminated our careers as freshmen.

The sophomore year passed even more quickly than the previous year. Again we chose officers (President — Harry Davidson; Vice-President — Deborah Luszcz; Treasurer — David O'Toole; Secretary — Mary Rose Dickhaut) who would serve as our leaders for the new year.

In February of 1962 we transferred from the weary, rugged, old C. H. S. to a bright, new building on Church Street. This would be our residence for the remaining two-and-a-half years.

An all-out effort was employed in selling raffle tickets, on food sales, and in all of the various activities presented by the class. An avid response and warm co-operation was displayed by every member of the class.

When Miss Long decided to transfer, her position was vacated, and the task handed to Mrs. Margaret C. Joyce. Luckily, we would again have a capable, willing, and encouraging advisor for the rough years ahead. With Mrs. Joyce's perseverence as our greatest asset, we successfully completed the second phase of higher education.

Junior year arrived at long last! We were now upperclassmen, and no longer the underdogs!

As most of us will readily agree, our junior year was, by far, the most enjoyable year of the four. The year began with the election of class officers (President — Donald Prior; Vice-President — Nancy Valeri; Treasurer — David O'Toole; Secretary — Janet Dintino) and Student Council members. Last minute changes were inevitable, but soon the confusion disappeared and the months rapidly flew by. Again our play, "I Love You Truly," won the Interclass Dramatic competition, proving our talent as actors. Then the big event of a lifetime approached us: The Junior

'64 Class History

Prom. "What will the theme be?" "Who are the co-chairmen?" "Is the treasury able to cover expenses?" Those were but a few of the questions posed by class members. Finally, the elections were held, theme chosen and operation "Younger Than Springtime" underway. The enthusiasm and co-operation were unbelievable and the result was a memorable occasion truly acclaimed as one of the finest in years. Much to our dismay, the year came to a close and only through memories could it be recaptured.

Senior year, the final step which terminated our lives as students of C. H. S., began in September of 1963. Classes settled after a few days, confusion eventually became contentment, and the days seemed more like hours passing by in rapid succession. Officers were chosen for year No. 4 and they included President — Harry Davidson; Vice-President — Deborah Luszcz; Treasurer — David O'Toole; and Secretary — Janet Dintino.

Football season began with hopes sky-high and enthusiasm even higher! The Galloping Gaels made their annual appearance again in the fall as they had many times before. However, this was the last time we would share the excitement of these games. The spotlight was focused upon the two senior lads chosen by their teammates to "lead the parade" on the gridiron. The boys did their best but, as the scoreboard portrayed, it wasn't quite "good enough." The season ended with the yearly banquet and the presentation of awards.

Pictures were the next step on the ladder. Proofs were discussed, sent back, retaken, criticized, and complimented, but as might be expected, the excitement soon died out and for the time being, peace was restored.

College applications were being prepared in grand style as the days became numbered and time was beginning to run out. "Prayers" were the only possible hope left after the battle which had begun nearly four years ago.

Worries over the yearbook deadline and the soliciting of advertising contracts were the next headaches for the students selected to serve on the "Memorabilia" staff. The ball rolled at a steadily mounting pace and before too long each piece of the puzzle had been given its place and the staff members could breathe just a little bit easier.

The Senior Hop was the next outstanding event on the agenda and plans for the "last" social presented by the class of '64 got underway. Co-chairmen were nominated and chosen rather easily, but the problem of a theme was yet to be hashed over. Nominations were considered, reconsidered, and discussed, and finally a decision was reached and "Babes in Toyland" pulled the longest straw. And so it went: decorations, favors, and chaperones. Programs and dinner menus and other details were carefully arranged by members of the various committees. The big night, February 7, 1964, had arrived, and Hop Night had disappeared into the background as rapidly as it had appeared.

The weeks passed into months, and the school year neared its close with only the Interclass Dramatics left as our own possession. The class of '64 yielded its position as seniors to the class of '65. The graduating class extended to them its wishes for the very best of luck in all their future undertakings. They would now encounter the pleasures and the difficulties, which had been enjoyed and overcome by their predecessors just a short while ago.

Football is perhaps the most strenuous sport played at the high school level.

It requires skill, hard work and, above all, desire. In most cases, it also requires luck.

Although our team frequently came out on the short end of the score, they were never on the short end when it came to desire to win.

We remind the team, its co-captains and its coaches that "It isn't whether you win or lose, it's how you play the game," and they played it well — all the way!

C.H.S. Class of '64 is proud of its team and the fine sportsmanship displayed by all.

'64 Class Prophecy

It is the year 1984 and as we arrive in Clinton on our first visit since 1964, we notice a complete change. Clinton has become a large city with many new private businesses and larger industries which have either moved from another part of the country or have set up a branch in our fair town.

We decide to walk, so we park our car on one of our many, new roof-top parking lots which is owned by **Ronald Wood** and managed by **Robert Sheridan. Clinton Strong** parks our car for us. As we come down onto the street, the first building we come across is a modern skyscraper designed by the famous architect **Alex Innamorati.** The doorman, **Thomas Savoie,** holds the door for us and **Thomas Vatter** brings us up to the first floor in the elevator. On the first floor we come to the office of **Dr. Barry Sylvetsky, M.D.** The receptionist, **Carol Garrity,** brings us into the inner office where his medical secretary, **Lois Altman,** and two nurses, **Lois Charbonneau** and **Nancy Ciampaglia** are. We talk for a few minutes then it is time for us to leave. A few doors down is the office of **Attorney Margaret O'Loughlin** and her legal secretary, **Karen Boyce.** The last stop on this floor is at "La Maison Des Coiffure's," the famous hairdressing salon in Clinton. The manager, **Judy Nicoletti,** informs us that the owner, **Cynthia Pappas,** has just returned from the annual hairstyle show in Paris, where she was the guest of some top hairstylists from France. Some members of the staff who are all busily at work include: **Suzanne Kilcoyne, Kathy Alexander, Jean Lombardi, Carol Parker,** and **Cathy O'Malley.**

We decide to walk to the next floor where we walk into the office of **Dr. Carl Duhamel, D.D.S.** There we are happily greeted by his dental secretary, **Anne Davidson.** The next office is that of **Dr. Betty Pryhoda, Ph.D.** Her assistant, **Kathy McNally,** is busily arranging a new set of psychology books. The last stop in this building is in the office of **Ken Johnson,** insurance agent, and his secretary, **Nancy Valeri.**

We leave the building and cross the street and find one of the largest department stores in the city. It is owned by **Peter Porciello** and **James Lockney.** Among the salesgirls, we find **Brenda Goad, Patricia Freel, Dianne Corliss, Marcia Dunn, Linda Thurlow,** and **Frieda Rahman.** The floor manager, **Michael Richards,** directs us toward the main office. There we find **Cheryl Domkowski, Brenda Gorski, Karen Hennis, Shirley Koski, Nancy Tarsa, Ann Mayberry,** and **Elizabeth Baird** all typing company letters under the careful supervision of **Martha Wilson.** At the files are **Mary Rose Dickhaut, Lois Hamilton, MaryAnn Burke, Kathy Strzys,** and **Barbara Trautner.** We walk down a hall until we come to a door marked "fashion consultant" and as we open it to speak to **Linda Dunn,** we find the clothes buyer, **Debbie Luszcz,** just leaving. With her is the famous model, **Beverly McLean.**

As we leave the building we decide to visit the hospital so we hail a taxi driven by **Victor Masciarelli.** We pass by a beautiful Foodliner Super Market owned by **David Cannon** and **Curtis Lamlein. Thomas O'Malley** and **James Robinson** are among the numerous employees.

On arrival to the hospital we see many nurses, **Vicki Lenard, Mary Salmon, Kathy Krantz,** and **Janet Juszynski** just going off duty. Behind the desk, taking calls is **Catherine Flaherty.** Head nurse, **Ellen Hanney,** takes us on a tour. First, we go into the nurses' lounge where we see **Nancy Caron, Danell Griswold, Beverly Cucchi, Ellen Healy,** and **Linda Laverdure.** While we continue our tour we see **Miriam Wetherbee, Dorothy Kobus, Millicent Johnston,** and **Christine Vattes.** In the kitchen preparing the food are: **Jo Ann Schultz** and **Mary Ann Philbin,** the dieticians. The X-ray technician, **Patricia Kil-**

coyne, is just leaving her laboratory with **MaryAnne Haemer**, who is in charge of the children's ward. **Ellen Broderick** is in the biology laboratory talking with the famous scientist, **Dr. John Brothers.**

We take a cab to Clinton Jr.-Sr. High School where we are greeted by the principal, **John Carr**, and the vice-principal, **Victor Giansanti. Jean Silvester** and **Gerry Hoyt** are busily at work in the office. Guidance director,**Janet Dintino**, tells us that **Larry O'Toole** is in the auditorium talking to the boys on West Point, where he had been a cadet and now has a permanent position. She tells us that **Jean Cote** is lecturing tomorrow on her recent trip to South America with the Peace Corps. Just outside the office are **Carol Quill**, girls' phys. ed. teacher, **Richard Gebhardt**, boys' phys. ed. teacher, and **Buddy Learned**, head football coach. The janitor, **Ernest Decoteau**, is talking with three teachers, **Edward O'Brien, Denise Martineit**, and **Donna Lis**, just as we are leaving.

Our next stop is at Clinton University, where we find **Professor Robert Bursley** in charge of the Latin Department, **Mary Furmaniuk**, head of the Mathematics Department, and **Leslie Nekuda**, head of the Drama Department. In the university library are the head librarians, **Anne Marcotte** and **Irene Losaw.** The gardeners, **Ronald Ingano** and **Casimir Zelney**, are busily trimming hedges. **Roger Sliter** owns a small art studio on campus and **Gene Sowa, Tom Polack**, and **James Stevens** are making a small fortune with their malt shop.

City Hall is just a short distance away, so we decide to walk. We next meet the mayor, **Harry Davidson**, and a few members of the city council, **John McLaughlin, Henry Connery, William Modis**, and **Dennis Prinos.** Various members of the departments here are **Franny Morabito, Paul Dube, Joan Gebhardt, William Gibbons, Peter Morini, Leslie Kurtz**, and **Carl Moran.**

Next we go to the city's No. 1 newspaper. The co-editors, **Alan Baer** and **Charles Janda** bring us into the main office where **Dianne Carbone, Donna Chase**, and **Rosemary Sangenario** are working. Reporters are **Charles Sladen, Donald Prior, Albert Latini, George Mikels**, and **Bernard Hallinan.**

We now set out for a restaurant owned by **Robert Bazydlo. Peter Tierney**, the head waiter, seats us, and **Dickie Brejtfus** brings us menus and takes our orders. The chef, **Franco DiTullio**, sends around his compliments. While looking around, we see **David O'Toole**, owner of O'Toole Engineering Co., **Mike Lavelle**, owner of Lavelle Construction Co., his foreman, **Paul Marrone, Mike Janosco**, general manager of Pontiac Village, and **Joseph Baird** a surveyor.

At night we visit a local nightclub. The parking lot attendant, **Michael Irvine**, parks our car. The nightclub is owned by **Thomas Bazydlo** and **Joseph Maffei** and many celebrities can be found there as we will soon see. We check our coats with **Janyce Forhan** and are seated by **Michael McKee.** The waiter, **Robert Tessier**, serves us drinks from **Joe Pianowski**, the bartender. We see **Noreen Costello, Jane Henighan, Denise Whitney**, and **Sharon Colburn**, who have just finished filming in Hollywood. With them is the famous producer, **Harvey Gould.**

Rich oilman, **Dennis McMahon**, joins us. He tells us that he has just flown in by jet from Texas with **Dean Copetas** and **Dennis Curran** as co-pilots, and **Kathy Kerrigan** and **Charlene Tomolo** as stewardesses. Multi-millionaire, **Mal Grady**, has just arrived with his bodyguards, **Wayne Davidson** and **Richard Lombard.** The show begins and the M.C., **Francis Boyce**, has a host of guest stars on hand. The comedy trio, **Nikki Vaughan, John Flanagan**, and **William Kerrigan**, with their side-splitting act, are a sensation. **Charles Ramig** and his jazz combo play the rest of the night.

The day comes to an end and we hate to leave after seeing all our old friends. It brings back all the old memories we had from the Class of '64.

Younger than Springtime

At last the night we had all enthusiastically anticipated arrived . . . May 31, 1963, the night of our Junior Prom.

A white colonial bridge led the way into a garden of flowers, ferns and fountains which encircled the dancefloor.

Aqua and white floral letters spelled out our theme across the walls and myriads of streamers festooned across the ceiling to converge on the crystal ball in the center.

Silver foil camouflaged the walls and attracted the beams of the multi-colored lights creating a moonlight effect, and in this setting, to the music of Perry Conte's orchestra, more than 120 couples danced the night away.

The highlight of the evening was the selection of the queen and her court. Attired in petal pink, Janet Juszynski was chosen queen and escorted to the flower bedecked swing which served as her throne.

The orchestra played the last dance and we all left with memories of the marvelous Junior Prom. Everyone truly felt "Younger Than Springtime."

GYM SHOW

"Amazing," "Remarkable," "Surprising," these were only some of the many complimentary words spoken about our Gym Show. The exhibition, directed by Mrs. Tobin and Mr. Hester, made C.H.S. very proud of the gymnastic ability of its students. The show was dedicated to the memory of our late President Kennedy and his program on physical fitness.
